**Kevin Lawton:**  
**“The Crowdfunding Revolution”**

---

**Feb. 9 2011, 5:45-7:30pm, LKSC 120**

Registration is required! Visit our website: [aims.stanford.edu](http://aims.stanford.edu)

Kevin Lawton is a prolific blog contributor. He contributes to SeekingAlpha, VentureBeat, the Huffington Post. He is a trend-caster and visionary blogger at the intersection of business and technology. Kevin is the author of “The Crowdfunding Revolution”, a book with a deep and broad look at the rationale and rise of crowdfunding, the broad landscape and a very visionary look into its future.

Kevin has kindly agreed to share his valuable time and insights on the upcoming revolution of crowdfunding. He will give us a broad look at the origin and the future of crowdfunding.

*This event is co-sponsored by the School of Medicine Career Center (SoMCC) and the Stanford Career Development Center (CDC). AIMS operates in partnership with the SoMCC.*

*Refreshments will be served!*
